

**FOUND
COURAGE**

Moses was chosen by God to help lead His people to safety. At first, Moses felt nervous and didn't think he was good enough, but God promised to help him. With God's guidance, Moses showed great courage - he helped free the Israelites and even led them through the Red Sea. Moses teaches us that even when we feel unsure, God can give us the courage and help we need to do hard things.

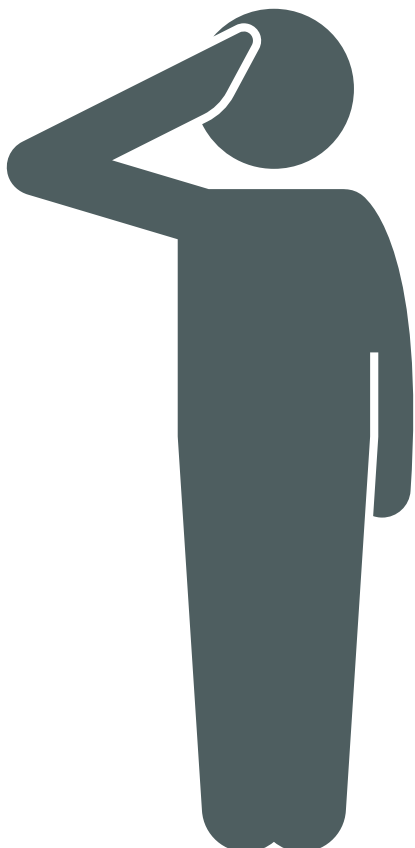

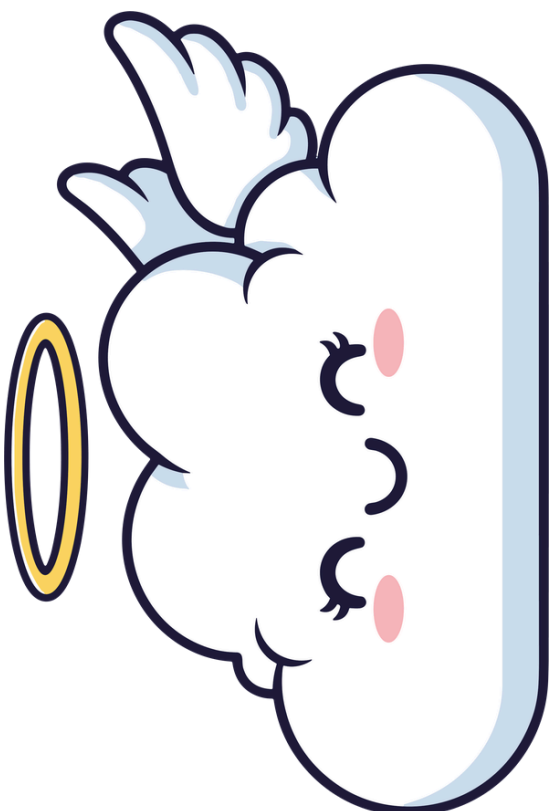

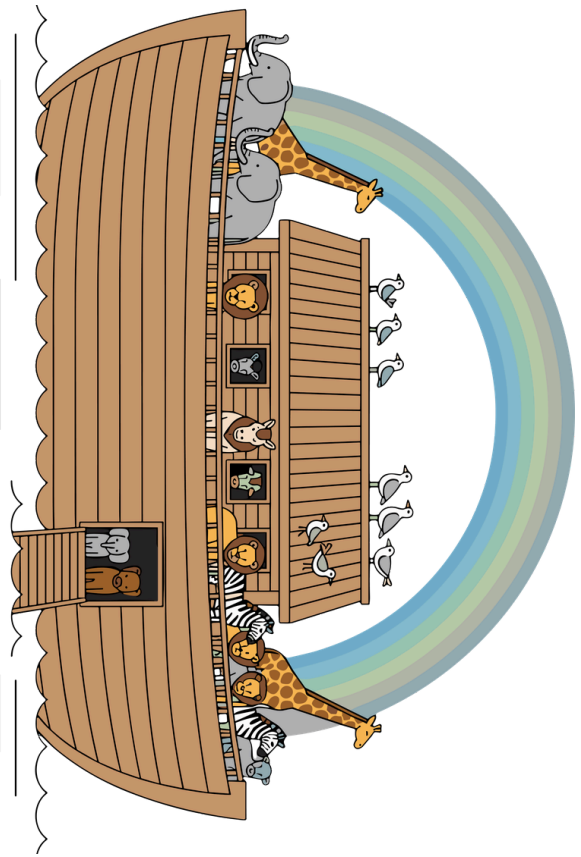

**LISTENED AND
OBEYED**

Noah was a man who loved God and chose to listen to Him, even when it didn't make sense. God asked Noah to build a huge boat called an ark before there was any rain. People around him didn't understand, but Noah trusted God and obeyed.

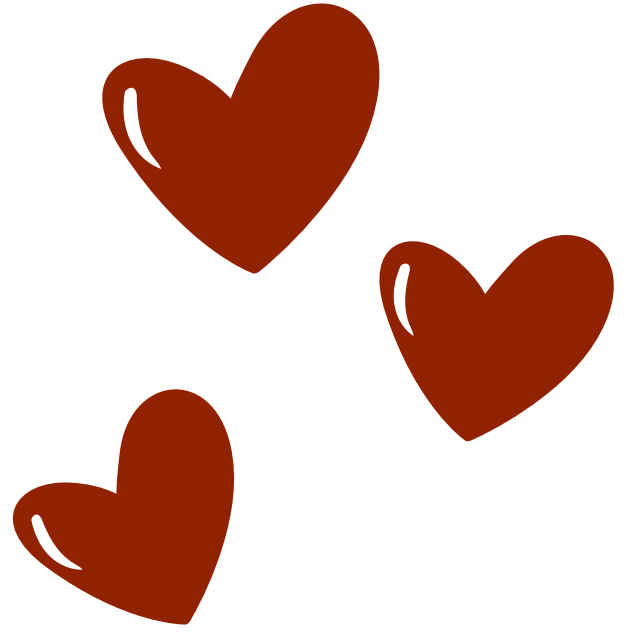

Because of his faith, his family and many animals were kept safe. Noah teaches us to listen to God and do what's right, even when it's hard or different from what others are doing.

**LIVED WITH
LOVE & HOPE**

Job was a man who loved God and trusted Him deeply. Even when Job lost many things and went through very hard times, he didn't turn away from God. He kept believing and chose to have faith, even when he didn't understand why things were happening. In the end, God blessed Job for his trust. Job teaches us that we can keep trusting God and have hope, even when life feels really hard.

**HEARD HER
PRAYERS**

Hannah loved God and prayed to Him with all her heart. She wanted a baby very much, and she trusted that God would hear her. Hannah kept praying faithfully, and God answered her prayers. She remembered to thank Him and kept her promises to Him. Hannah teaches us that we can always talk to God, that He hears our prayers, and that we can trust Him with the things that matter most to us.
